**PETITION TO WITHDRAW HOLDING OF ABANDONMENT**

Mail Stop Petitions  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

Applicant respectfully requests that the holding of abandonment set forth in the Notification of Abandonment mailed on April 20, 2007 be withdrawn because of error on the part of the Patent and Trademark Office.

## FACTS

(1) The subject application was filed by Express Mail on September 25, 2006.

(2) The application as filed contained an authorization to charge the following “small entity” fees to Deposit Account No. 19-1070: Basic National Stage Fee under 37 C.F.R. 1.492(a) - \$150; National Stage Search Fee under 37 C.F.R. 1.492(b)(2) - \$200; and National Stage Examination Fee under 37 C.F.R. 1.492 (c)(2) - \$100 (see Attachment A).

(3) A postal receipt card (see Attachment B) was received from the Patent and Trademark Office, indicating that the application had been assigned Serial No. 10/594,141 and a filing date of September 25, 2006.

(4) Nothing further was received from the Patent and Trademark Office until May 1, 2007 when a Notification of Abandonment dated April 20, 2007 and signed by Virginia L. Irby was received, the Notification of Abandonment stating that “Applicant has failed to provide the full U.S. Basic National Fee by 30 months (37 C.F.R. 1.495(b)(2))” (see Attachment C).

(5) The undersigned attorney immediately telephoned Ms. Irby, who stated that the case had been referred to her on or before April 19, 2007, and that she had attempted to charge the total fees to the Deposit Account No. 19-1070 on April 19, 2007, but that there were insufficient funds in the Deposit Account on that date.

(6) In a subsequent telephone conference with Ms. Irby on May 8, 2007, she further stated that when, on April 19, 2007, she had attempted to charge the total fees of \$450 to the

Deposit Account, she had not attempted to charge the Basic National Fee of \$150 alone to the Deposit Account.

(7) As indicated on the attached statement for Deposit Account No. 19-1070 for the month of April 2007 (see Attachment D), the balance in the Deposit Account during the period April 1-29, 2007 was \$409.26, and the balance was reduced to \$384.26 on April 30, 2007 due to posting of a \$25 service charge. Thus, at all times during that period, the balance in the Deposit Account was sufficient to cover the Basic National Fee of \$150 and either the Search Fee of \$200 or the Examination Fee of \$100.

## DISCUSSION

The procedure for payment of national fees for filing of a national application related to a PCT application is set forth in 37 C.F.R. 1.495 (attached hereto as Attachment E).

Specifically, 37 C.F.R. 1.495(b) provides that a copy of the international application and only the Basic National Fee must be provided within 30 months of the priority date in order to avoid abandonment of the application. In this case, a copy of the international application was provided to the Patent and Trademark Office by the International Bureau, and authorization to charge the Basic National Fee was included in the filing on September 25, 2006.

Furthermore, when Ms. Irby attempted unsuccessfully to charge the total of all three fees to Deposit Account No. 19-1070 on April 19, 2007, she should have then attempted, in accordance with 37 C.F.R. 1.495(b), to charge the Basic National Fee of \$150 alone to Deposit Account No. 19-1070, in which case the fee would have been charged since the balance in Deposit Account No. 19-1070 on that date was \$409.26 (see facts (6) and (7) above). In fact, the balance in the Deposit Account on that date was sufficient to cover both the Basic National Fee and one of the other two fees (that is, either the Search Fee or the Examination Fee).

Then, in accordance with 37 C.F.R. 1.495(c)(1) and (c)(2), if the Search Fee and/or the Examination Fee were not chargeable to the Deposit Account on that date, a notification to pay one or both of these missing fees by a date certain should have been sent to the undersigned attorney. Thus, it was an error to send, to the undersigned attorney on April 19, 2007, a Notification of Abandonment stating that "Applicant has

failed to provide the full U.S. Basic National Fee by 30 months” since, as stated above, the balance in Deposit Account No. 19-1070 on April 19, 2007 was sufficient to cover not only the National Fee of \$150, as required by 37 C.F.R. 1.495(b), but also the Search Fee of \$200 or the Examination Fee of \$100.

It is respectfully submitted that, but for the error or oversight which occurred on April 19, 2007, the holding of abandonment of the present application would not have occurred, and the application would now be proceeding into the examination stage.

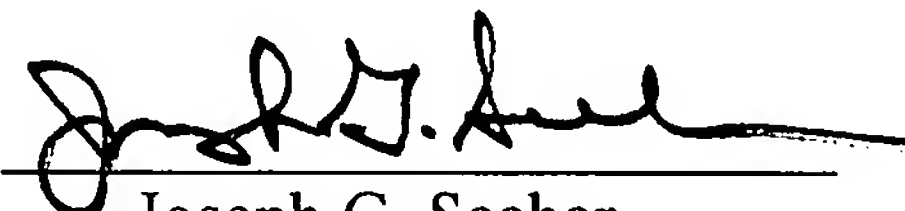

### ACTIONS REQUESTED

Based on the above facts and discussion, the following actions are requested:

- (1) that the Notification of Abandonment mailed on April 20, 2007 be withdrawn due to error on the part of the Patent and Trademark Office;
- (2) that the application be reinstated;
- (3) that the Basic National Fee, the Search Fee and the Examination Fee for a "small entity" (total of \$450) be charged to Deposit Account No. 19-1070 (a duplicate of this sheet is attached);
- (4) that no Petition Fee be assessed against the Applicant since this Petition to Withdraw Holding of Abandonment was necessitated by an error on the part of the Patent and Trademark Office;
- (5) that, if a Petition Fee is to be assessed against the Applicant, such Petition Fee be charged to Deposit Account No. 19-1070 (a duplicate of this sheet is attached); and
- (6) that any other equitable relief which is deemed appropriate be granted to the Applicant.

Respectfully submitted,

#### § 1.495 Entering the national stage in the United States of America.

(a) The applicant in an international application must fulfill the requirements of 35 U.S.C. 371 within the time periods set forth in paragraphs (b) and (c) of this section in order to prevent the abandonment of the international application as to the United States of America. The thirty-month time period set forth in paragraphs (b), (c), (d), (e) and (h) of this section may not be extended. International applications for which those requirements are timely fulfilled will enter the national stage and obtain an examination as to the patentability of the invention in the United States of America.

(b) To avoid abandonment of the application, the applicant shall furnish to the United States Patent and Trademark Office not later than the expiration of thirty months from the priority date:

(1) A copy of the international application, unless it has been previously communicated by the International Bureau or unless it was originally filed in the United States Patent and Trademark Office; and

(2) The basic national fee (see § 1.492(a)).

(c)(1) If applicant complies with paragraph (b) of this section before expiration of thirty months from the priority date, the Office will notify the applicant if he or she has omitted any of:

(i) A translation of the international application, as filed, into the English language, if it was originally filed in another language and if any English language translation of the publication of the international application previously submitted under 35 U.S.C. 154(d) (§ 1.417) is not also a translation of the international application as filed (35 U.S.C. 371(c)(2));

(ii) The oath or declaration of the inventor (35 U.S.C. 371(c)(4) and § 1.497), if a declaration of inventorship in compliance with § 1.497 has not been previously submitted in the international application under PCT Rule 4.17(iv) within the time limits provided for in PCT Rule 26*ter*.1;

(iii) The search fee set forth in § 1.492(b);

(iv) The examination fee set forth in § 1.492(c); and

(v) Any application size fee required by § 1.492(j);

(2) A notice under paragraph (c)(1) of this section will set a time period within which applicant
